

GREETINGS:

It is a great honor to welcome the Nationwide Tour Professionals who will be participating in the Fort Smith Classic presented by Stephens, Inc. the week of May 5th through May 11th, 2008.

This is the 11th year for the Fort Smith Classic to be held in Fort Smith. I am very pleased to endorse and support the Fort Smith Classic for its worthwhile contributions to the Fort Smith community, which include more than \$1.2 million given to local charities.

I want to wish all the participants in this event great success and look forward to seeing you during the events of the Fort Smith Classic. To those who are visiting our city, I know you will have an unforgettable visit and will enjoy your stay here as you come to realize, as our citizens do, that "Life's Worth Living In Fort Smith, Arkansas!"

Best wishes for great success at the Fort Smith Classic.

Sincerely,
