

March 2008

Greetings from Fort Smith, Arkansas!

On behalf of the Board of Directors, I invite you come to the Fort Smith Classic presented by Stephens, Inc. The tournament staff and volunteer leadership have been hard at work planning a tournament week experience that strikes the right balance between challenging golf competition, various entertainment options, and interfacing with the charity partners. Of course, southern hospitality will once again be ever present!

Please visit the Classic's recently launched website. www.fortsmithclassic.com I think you will be excited to see several new additions to the week. One of the highlights will be a music headliner. Thirteen-time Emmy Award winner Ricky Skaggs will perform on the evening May 6th at the Fort Smith River Park.

Hopefully, all of the Tour players will come to the Kids' Day activities on Tuesday, May 6 at the Fort Smith River Park (just prior to the concert). Community children will be so thrilled to see Tour players hit golf balls and sign autographs. Come out and enhance a kid's day and know by participating in the 2008 Fort Smith Classic you will help make a child a champion.

I look forward to welcoming each of you to what I expect will be one of your favorite Tour stops of the 2008 Nationwide Tour season.

A handwritten signature in black ink, which appears to read "Patricia Brown". The signature is fluid and cursive.

Patricia Brown
Tournament Director
